**Q9 - Please comment on the quality of instruction in this class.**

Faculty:	Lei He	
Response Rate:	86.67% (13 of 15)	
1	learned a lot and was able to understand complex information in a very easy way. powerpoints were very easy to follow and the kahoots made learning more enjoyable	
2	it was very easy to understand, very well put together	
3	great class	
4	This professor is definitely one of my favorites this semester. He teaches at a great pace and goes into detail about things for better understanding.	
5	The quality of the instruction of the class was very great and clear.	
6	The quality of instruction was excellent. The way the material was presented was easy to follow along and concepts were explained thoroughly.	
7	The professor did a great job at giving great lectures each day of class. He by far has been one of the best professors i had in giving instruction because of the detail he gave into his PowerPoints and how much we could all understand the point based off of his slide shows.	
8	The instructor was very informative and his use of his slide show presentation was both very interesting and informative.	
9	I thought it was a great class I learned a lot and the Professor was very nice. I would take another one of his classes	
10	I loved how the class was taught. It made it very easy to take notes and the powerpoints were always very easy to understand.	
11	He was great with the timing of the class and made sure that every student was on the same page and had an understanding of every topic.	
12	He was great	
13	Great quality, professor was super nice and always made sure everyone could keep up and understand him properly.	

**Q10 - How can the instructor improve the teaching of this course?**

Faculty:	Lei He	
Response Rate:	86.67% (13 of 15)	
1	nothing	
2	n/a	
3	There is not much to say about he taught the class he did a great job in teaching the instruction, maybe just encourage his students to speak up more during class to answer questions to involve more interaction.	
4	The speed of the course could be faster.	

5	N/A	
6	N/A this instructor used one of my favorite methods and was very easy to follow along, didn't give too many things at once. Great professor	
7	Maybe giving more fun kahoots, or competition options about the work we are learning	
8	Incorporate more questions that they can ask to the students.	
9	I'd definitely talk about the signature assignment a little earlier in the course if possible.	
10	I would just add some more hands-on activities like kahoots and such to help us apply what we are learning as we learn it.	
11	I honestly don't have much to say other than the class could be a little bit more difficult.	
12	I don't think there's anything to improve on	
13	I am not sure!
